Report of Principal and School Improvement Council

This has been a very happy and successful year here at Cades Hebron Elementary School. We have started a new reading program R.E.A.D the acronym stands for (Reading Evaluating Accessing and Diagnosing). This program was designed to help students analyze the twelve genres of reading. Once students understand and analyze the twelve genres of reading they become excellent readers.

We also helped students to understand RIT Band Instruction as it applies to MAP and PACT data. Students were able to understand exactly how many points they needed to move from one category to another as it applies to PACT i.e. data from basic to proficient. Although the PACT data has not been calculated, we feel from the student's excitement and enthusiasm that our year was successful.

Students at Cades Hebron Elementary are prepared to be confident, competent, and responsible individuals. Our school is organized to ensure that all students have the opportunity to succeed. In addition to the Child Development through 6th grade classes, we serve students in self-contained, special education classes and a class for children grades 1st through 6th with special needs. Character Education is taught as students are expected to demonstrate respect for self and others, take responsibility for their actions, and follow established rules. Service Learning provides opportunities for our students to serve their community. We are fortunate to have a dedicated staff and the support of our parents and community to help our students succeed. Our staff, PTA, School Improvement Council, and other community members work diligently to make sure our school is meeting the needs of our students in a positive, safe, and happy environment. In conclusion we embrace the philosophy of Ruby Payne the author of the book entitled Framework for Understanding Poverty. Ruby stated "No meaningful learning takes place until you first develop a relationship with students".
